## Report of Selectmen

To the Citizens of the Town of Millbury:

The Board of Selectmen presents its report of the various Town Officers for the year ending December 31, 1965.

The past year has been spent taking care of the normal needs of the Town, with nothing outstanding taking place on which to report. This does not mean that the Board has not been busy, because actually the everyday functions of our Town government and the weekly routine of the Selectmen are enough to occupy much of our free time, considering that all of our work is done on a parttime basis. Sometime in the near future when the Town goes into the construction of a Sewerage System and Urban Renewal, we believe most sincerely that it will be necessary for the Town to investigate the possibility of giving the Board of Selectmen a permanent clerk, or some other agent who can act on their behalf during the day.

The year 1965 saw the retirement of our Fire Chief, William D. Horne, after 65 years of faithful service to the Town of Millbury, as a member of the Fire Department—45 years as Chief. The Board of Selectmen, as spokesmen for the entire citizenry, want to thank Chief Horne for his contribution to our welfare, and wish him a healthy and happy retirement.

Last year we held up action on the Sewerage article that we had inserted in the Annual Town Warrant, because of a regional sewerage study that was anticipated. The State failed to appropriate the money for this study, so it is presently a dead issue. We are still interested in starting construction of our proposed Central Sewerage System. Under Public Law 660, Acts of 1965, Federal grants are available. Also, the Town may qualify under the "Housing and Urban Development Act of 1965." The regulations governing these grants have not yet been released by the Federal government. We expect to have information about these regulations early in the Spring. If the Town of Millbury qualifies, the Board of Selectmen will call a special town meeting at that time.

We have sponsored an article in the Annual Town Warrant for a sum of money to defray the cost of a Band Concert to be held on Fourth of July night. This event will be held

in conjunction with an all-day celebration and fireworks to be sponsored by all of the companies of the Millbury Fire Department. We are anticipating an exciting time over the Fourth of July in Millbury this year.

Respectfully submitted,

## **Veterans' Service Department**

To the Honorable Board of Selectmen:

As Veterans' Agent, I herewith submit my report of services rendered for the year ending December 31st, 1965. As in the past, the Auditor's report will give all expenditures, reimbursements and financial reports.

Caseload of department:

94 Veterans' Benefits cases with Millbury Settlement

21 Veterans' Benefits cases referred to other Cities and Towns

14 Veterans' Benefits cases Rejectd

In 1965 this department had 14 Veterans admitted to VA Hospitals.

As you no doubt have read, the Veterans Administration Hospital which was located in Rutland, Mass., closed its doors during the year 1965. This has caused inconvenience on the part of the Veterans who would normally have made use of its facilities. The closest Veterans Administration Hospital at the present time is located at Jamaica Plains, Boston.

It might be well to mention at this time that persons who have reached their 65th birthday, will be eligible for two kinds of health insurance protection; Hospital Insurance and Additional Voluntary Medical Insurance for those who choose to take it. These programs begin only if you enroll before March 31st, 1966.

For more detailed information about the new Health Insurance Plans, and the 1965 Amendments, call, write, or visit your nearest Social Security District Office, which is located at 340 Main Street, Worcester, Mass.

I wish to thank the Board of Selectmen and all other departments for their continued co-operation.

Respectfully submitted,

FREDERICK E. LUCAS

Veterans' Agent

# Highway Surveyor's Report

To the Honorable Board of Selectmen and the Townspeople of Millbury it gives me great pleasure to submit my Annual Town Report.

## GENERAL HIGHWAY

The usual work has been performed under the General Highway and Permanent Road accounts. This includes the cleaning and sweeping of streets, also cleaning out catch basins, general maintenance and patching. We built two catch basins to correct a serious water problem at the corner of Miles and Main Streets. We also built one catch basin at Gordon's Corner on Wheelock Avenue to correct another water problem and hope to extend it this coming year. The road into the Town Dump was improved by widening and reshaping, and hope to complete this with two coats of oil this year.

## SNOW AND ICE ACCOUNT

We had our usual trouble storms during the year which necessitated giving prompt service in particular to areas where school bus routes were involved. We completed snow removal from the areas of churches, Funeral Homes, and Millbury Center following the storms. Praise should be given to the Private Contractors as well as the Highway Department for their time and effort in fighting the storms. We were able to return to the Town's E & D Account a sizable amount of money not expended during the winter months.

## CHAPTER 90 CONSTRUCTION

Due to a ruling from the Attorney General office all land taking must be paid for or a price agreed upon by both parties before construction can begin. This is the delay in starting Grafton Street construction, as of now we hope to get an early start this spring and I am sure you will see real progress made.

In closing I would like to thank the personnel in the Highway Department and all other Town Departments for their assistance that they have given me in the past year.

Respectfully submitted,

RUSSELL G. GOVER

Highway Surveyor

## **Report of the Sealer of Weights and Measures**

To the Honorable Board of Selectmen:

I hereby submit my annual report as Sealer of Weights and Measures for the year ending December 31st.

During this past year, this Department has checked and sealed 198 various types of weighing and measuring devices. Trial weighings were made on prepackaged goods in all stores to assure consumers that State Standards are upheld. All Fuel Oil carriers have been tested for accuracy and state of repair.

I would like to thank the retailers in town for the fine cooperation this department has been receiving in our common objective, which is honest weight for both consumers and retailers.

Respectfully submitted,

STANLEY WILCZYNSKI

Sealer

## **Report of the Board of Public Welfare**

To the Selectmen of the Town of Millbury:

The report of the Charlton Home Farm Association will be found on another page of this book.

As the Town Auditor's report gives full description of our expenditures, reimbursements and financial report we will not repeat at this time, but will only give an itemized list of vendors under each category of assistance, showing where and how, our appropriation was spent in giving aid to the needy persons who were eligible during the past year.

During the past year the board was notified by the State office that in order to continue to meet Federal and State requirements another social worker had to be employed by the department.

On September 1, 1965 Mr. John M. Hamilton was added to the staff as a social worker. We were fortunate to acquire the service of Mr. Hamilton who was first on the Civil Service list and comes to us with nearly 20 years experience in the field of Social Work. Prior to this appointment he had been a Field Agent for the Commonwealth in the office of the Commissioner of Veteran's Services.

Our caseload under General Relief for temporary aid, medical care and hospitalization consisted of 30 cases which included 67 persons.

Listed below are the vendor payments and the amounts paid to each vendor, also the cash grants paid to the recipient.

## **Report of Charlton Home Farm Association**

In 1965 the property of the Charlton Home Farm Association in Charlton was conveyed to the successful bidders resulting from the auction that was held on May 19, 1962.

The sum of \$23,655.86, representing the net proceeds after all expenses, was divided on a share basis to the member towns.

At the quarterly meeting held on October 5, 1965, it was voted to dissolve the Charlton Home Farm Association as of that date.

Respectfully submitted,

DONALD R. PERKINS, *President*

ROBERT A. DONOVAN, *Sec. & Treas.*

# Report of Board of Health

To the Citizens of Millbury and the Honorable Board of Selectmen:

The Members of the Board of Health respectfully submit the following report for the year 1965.

In January we were saddened by the death of Plumbing Inspector George H. O'Brien. Mr. O'Brien was appointed in 1930 and was the first Inspector to serve our Town in this capacity. We will remember him for his long and faithful service.

During the Summer months samples of water were taken at all public bathing beaches and analyzed for bacteria that could be dangerous to the public health.

388 investigations of complaints, inspections of sewage systems, and 147 percolation tests were made during 1965.

Inspections of Food and Drinking Establishments were made and copies of "The Sanitary Code" Article X were distributed.

At public clinics 111 pre-school children were vaccinated against Small-pox, 229 children received immunization shots against Diphtheria, Whooping-cough and Tetanus, and 239 drinks of trivalent oral polio were distributed.

Again we call your attention to the State Health Law which requires all contagious diseases to be reported to your local Board of Health.

The number of cases reported for 1965:

Chicken-pox	261
Dog bites	93
German Measles	43
Infectious Hepatitis	3
Measles	209
Mumps	18
Salmonellosis	7
Scarlet Fever	21
Streptococci	39
Pulmonary Tuberculosis	1
Whooping-cough	1
Cat bite	2

Chipmunk bite	2
Rabbit bite	1
Monkey bite	2
Total	<hr/> 703

July 31st a clinic for the inoculation of dogs against rabies was held at the Center Fire Station. The response was very gratifying.

Under the supervision of William H. Caron improvements such as bulldozing, spreading of gravel and road repairs were made at the Town Dumping Area for the convenience of residents in disposing of rubbish. This work will be extended in 1966.

Members of the Board attended five meetings held by the Central Massachusetts Associated Boards of Health. These meetings furnished information, instructions and discussions on vital subjects of interest to public health including Medicare, Sewage, Disposal Areas, Public Health Nursing, Housing and Legal Procedures.

The Licenses and Permits issued during 1965:

- 3 Funeral Directors
- 58 Burial Permits
- 2 Pasteurization of Milk
- 5 Cleaning Cesspools and Septic Tanks
- 116 New Septic systems and to repair old systems
- 125 Percolation Test
- 161 Plumbing
- 1 Overnight cabins

\$1,683.80 in fees were collected and sent to the Town Treasurer.

Mr. Arthur A. Norton has been appointed to serve as Plumbing Inspector pending establishment of eligible civil service list.

Respectfully submitted,

FREDERICK P. ELLIS, *Chairman*  
WALTER A. WELDON, *Agent*  
WILLIAM H. CARON

Respectfully submitted,

FRANCES M. COLBY

Animal Inspector

# Town Clerk's Report

To the Citizens of Millbury and the Honorable Board of Selectmen:

I respectfully submit my fifth annual report as Town Clerk.

To date I have received and recorded for the Year 1965 in the vital records of the Town of Millbury 163 births, 112 deaths and 125 marriages.

May I also take this opportunity to thank the various department heads for their cooperation during the year.

Respectfully submitted,

ORAN DAVID MATSON

Town Clerk

## Planning Board

The Millbury Planning Board herewith submits its Annual Report for the year ending December 31, 1965.

The following permits were issued:

Single Family dwellings	82
Two-family dwellings	6
New Commercial Buildings	6
Additions to Commercial Buildings	4
Public Garages	1
Garages	16
Carports	3
Storage Sheds	4
Private Kennels	1
Summer Camps	3
Beauty Shops (Within present buildings)	2
Chicken Coops	2
Rooms added to present dwellings	5
Storage Sheds	4
Added Porches	12
Trailers (1 yr. period)	1

The adoption of a Town Building Code is being considered. As soon as the code is in acceptable form for the Town of Millbury, this Board would like to hold a series of

Public Meetings throughout the town to acquaint our citizens with the advantages of a Building Code, and to answer any questions regarding this code. It is hoped that we will receive the support of the townspeople at a future Town Meeting when the approval of this code is requested. It is our sincere belief that a Building Code will be of great value to the town as it grows and develops, and a protection to the home owner, and tax payer.

The sewerage plans for the town of Millbury were approved at the Town Meeting of 1964, endorsed by the voters, and the money appropriated at that time, but the program has not materialized. The Board is strongly in favor of giving this item a priority over any other project, thus coinciding with the recommendations of the Master Plan.

Having been authorized in 1960 to issue the Zoning Permits, the Planning Board has found the system is a satisfactory one, and contributes to more efficient planning by the Board.

The sidewalk program is a regular and continuing one and the Board is aware of need of improvement and completion of streets and sidewalks in some parts of town.

The Planning Board Meetings are open meetings held on the second and fourth Monday of each month in the Selectmen's Room in the Millbury Town Hall, at 7 p.m.

At this time the Board wishes to thank the Selectmen, the Town Engineer, and Department Heads and townspeople for their assistance and support.

Respectfully submitted,

FRANK J. PISCITELLI, *Chairman*

DONALD P. WAGNER, *Clerk*

FRANCIS E. FINNEY

# Report of Millbury Housing Authority

The Millbury Housing Authority herewith presents its annual report for the year ending December 31, 1965.

## *200-1 Veteran's Project*

Our Veterans project is again fully occupied at the end of its 15th year. Two families were given housing as units were vacated. A waiting list of veterans is still being carried by the Authority.

A contract was awarded to Howe Petroleum Products for maintenance of furnaces. As in the past this company continues its fine work of keeping our furnaces in A-1 condition at a minimal cost to the Authority.

The remaining seven units were painted in the spring of this year thus completing the twenty-five units.

At the annual town election in March 1965 Paul A. Sweet was elected to fill the unexpired term of Raymond J. Whittaker.

The following officers were appointed: Chairman, Ernest T. Tarbox; Vice Chairman, Frank Kawolis; Treasurer, Leonard Roberts; Assistant Treasurer, Joseph Sullivan. Member, Paul A. Sweet.

The Millbury Housing Authority accepted with regrets the resignation of Mario Lopriore as head maintenance and at this time wishes to express its deepest appreciation to him for a job well done. Leo Sharron of So. Oxford Rd., Millbury, was appointed to succeed him.

## *667-1 Elderly Project*

In this project we have completed our fifth full year of occupancy. During the year one tenant was admitted to fill an existing vacancy. A long list of applicants for apartments is still in the Authority files.

During the year the exterior of the buildings at the Elderly Project were painted and a survey of all apartments was made and it is the intention of the Authority to repaint all interiors in the coming year.

Other than painting only minor maintenance is anticipated in the coming year.

Respectfully submitted,

Millbury Housing Authority

# Report of Conservation Commission

During the year 1965 the Commission held 6 meetings.

Letters were sent to representatives in support of the Mount Greylock Protective Assoc. and also in support of the Southern Worcester County Conservation District in its proposed revolving fund in the 1966 budget for the U.S. Soil Conservation Service and the Agricultural Stabilization & Conservation Service.

During the last decade, government and state agencies have become increasingly concerned with the alarming destruction of our wildlife populations by the use of residual sprays. In accordance with these findings, your Conservation Commission together with the Selectmen and the Board of Health have instigated a long range mosquito control program which has proven highly effective in other parts of the country. A professional entomologist has been employed who has made a survey of our town's specific needs, and who will start an active program in the spring.

The Commission is aware of many pollution problems in Millbury and is doing whatever it can to alleviate them.

We are currently hoping to consummate a land purchase of approximately 20 acres of marshland. We urge our fellow townspeople to support us in such an undertaking as we strongly feel that it is necessary for us all to act together now, before it is too late, if we are to preserve for future generations our rapidly diminishing woodlands.

Respectfully submitted,

# Report of The School Committee

To the Citizens of Millbury:

The School Committee herewith submits its annual report for the year ending December 31, 1965.

The following salary schedule became effective September 1, 1965:

	<i>Minimum</i>	<i>Maximum</i>
(1) Bachelor's Degree . . . .	\$5,000	\$7,400
(2) Master's Degree . . . . .	5,200	7,600
(3) 30-Hours Beyond . . . . .	5,500	7,900

On January 1 the third phase of the salary program became effective and all teachers were granted their adjustment. As a result of this action, all teachers are now on their proper step of the salary schedule. In order to receive the \$200 increment, a teacher must earn six professional credits in every three-year period until the teacher reaches the maximum step on the pay scale. Due to an act of the last legislature, a new state minimum salary of \$5,000 was established.

Open House, an annual event in our schools was again held in November and was well attended by interested parents.

Adult Education classes are still being conducted and it would be appreciated if more people would consider attending these classes.

We would like to congratulate Horace Mann students Elaine De-Sourdis, Lois Fournier, Louise Gravel, Mary Hamilton, Linda Lachance, Shirley Looms, David Roach, Rosalie Robitaille, Susan Thomas, and Christine Woll for the excellent record they have maintained while students at the Millbury Memorial High School.

The School Committee feels that we must have new elementary schoolroom space, and a step forward was made at the Special Town Meeting in January, 1966, by voting to purchase land for the new elementary school. A continuing study is being made by the Elementary School Building Committee and results will soon be presented to the townspeople.

The requested budget for 1966 is an approximate 6% increase over 1965. The State has approved reimbursement in the amount of \$126,025.68 for the year 1965. This amount is returned to the Town Treasurer, not to the School Department.

As stated in our previous reports, school operation is a tremendous undertaking. Successful operation could not be accomplished without the cooperation of the superintendent, principals, teachers, school department workers, the various town departments and organizations, parents and townspeople.

The committee wishes to thank everyone for the generous cooperation given it during the past year; let's continue to work together to give our children the best possible education.

# Report of the Superintendent of Schools

To the School Committee

I hereby respectfully submit my sixth annual report and the seventy-sixth in the series of reports of the Millbury school superintendents.

The school year 1964-65 might well be called "The Year of Educational Legislation." Never before in the history of education has so much legislation been passed which affected the elementary and secondary levels to the extent of that passed this year by both the federal and state legislatures.

On the federal level we have been confronted with the Elementary and Secondary Education Act of 1965, which is the most massive federal aid to education measure ever passed in the nation's history. The purpose of this act (ESEA) is to strengthen and improve educational quality and the educational opportunities in the nation's ele-

mentary and secondary schools. On the federal level we have had the continuation and extension of the National Defense Education Act, which was voted the monies necessary for the continuation of aid to the three so-called "Critical Subjects" science, math, and modern languages. This act was extended to include civics, geography, history, reading, and English. There were other acts, such as, the Economic Opportunity Act, the Vocational Act, etc., which were continued and extended but none of which affects elementary and secondary education to the extent of the first two mentioned.

Keeping up with federal legislation on education is a continuing and complicated challenge. This is particularly so in reference to the Elementary and Secondary Education Act of 1965. It is only reasonable to expect this of an act enacted and implemented in such a short period of time. I am sure that the coming year will see the clarification of much that at present is considered overly complicated.

On the state level we find the acceptance by both houses of the Summary Report of the Special Commission Relative to Improving and Extending Education Facilities in the Commonwealth, or more familiarly known as the "Willis Report." The Commission sets forth the philosophy of this report in the following statement: "The Commission believes that public education must be the primary public business. Where it is not, it must become that; where it is now that, its position must be strengthened. All documents of the Commission relative to a Master Plan for public education are designed toward the goals of the primacy of education and the leadership of the Commonwealth." Within this "Master Plan" may be found all the ingredients necessary to the building of a better and more complete educational edifice at the local, county, and state levels. It is to be hoped that the funds necessary for the implementation of this "Master Plan" will also be provided.

On the local level we have embarked, insofar as elementary education is concerned, on the biggest step in the history of the town of Millbury—the building of a central elementary school. To all the citizens of the town of Millbury, I recommend the reading of the Willis report, the philosophy of which is found in the preceding paragraph. This will be the first elementary school built in Millbury during approximately the last forty years. My own thinking is found in the following statement taken from the written report of the distinguished committee members for the White House Conference on Education:

"Schools now affect the welfare of the United States more than ever before in history, and this new importance of education has been dangerously underestimated for a long time. . .

"The schools have become the chief instrument for keeping this nation the fabled land of opportunity it started out to be. . .

"As long as good schools are available, a man is not frozen at any level of our economy, nor is his son."

These are the factors which loom large in the making of good schools: ratios of staff to pupils; preparation of the teaching force; appropriateness, and quantity of educational materials; and last, but most important to the citizens of Millbury because they play the biggest role in this factor, the adequacy of the physical plant—the school building itself.

"The Commonwealth's secondary schools are charged with the responsibility of developing the leaders of tomorrow. Their primary

objectives have been to provide educational leadership and opportunities that will enable each student to become an effective and productive member of our society," so says our State Department of Education. However, not many of our pupils come to us with well crystallized ideas of what they want to do or become and there are no magical wands in education. It therefore becomes the task of some department to help these youngsters come to a conclusion which will be beneficial to himself and acceptable to his parents.

This unenviable task falls to the lot of the guidance department. I am sure that the following report of Miss Mary Grogan, Director of Guidance for the Millbury schools, will better acquaint the citizens of Millbury with this facet of our educational system:

Guidance is a service; it acts as the unifying agency for the individual in his school career. The guidance counselor, with a knowledge of the pupil and with information about opportunities of an educational, vocational and social character, strives to help the individual pupil become adjusted to his present situation in such a way as to provide the greatest development for him. The counselor helps the student to recognize his problems, to evaluate his abilities, his interests, his needs, and his prospects. The counselor aids the student in planning for the future. The counselor endeavors to assist the student to become self-guiding so that he makes a decision of his own which will be in line with his own best interests and those of society.

The guidance staff has been steadily increased to provide students with a service which helps them to understand their social, vocational and educational needs. The Guidance Department with its present personnel meets adequately the requirements set up by the State Department of Education. A member of the state guidance staff visited our school recently. Having served on the evaluating committee for our school, he recognized from our report that the department has been substantially increased. He talked with all members of the staff individually; he checked the conference rooms; he was favorably impressed with the staff and facilities.

It is the intention of the counselors to interview each student at least once during the school year. Many meetings with some students are necessary not only to consider their educational and vocational plans but also to try to help them with their social, economic and emotional problems. For many students whose achievement correlates well with their potential, whose subject choices and academic achievement are in line with their future plans, several interviews are unnecessary. It is difficult to arrange interview time with a few students because their schedules offer little or no free time in the week.

Several meetings are necessary with seniors who are going on to school. For all four-year schools, for junior colleges and for some nursing schools College Entrance Examination Board tests are required. Last year we had seniors taking tests in December, January and March; juniors took them in May and July. A total of 103 students participated in these tests in the months previously mentioned.

The four-year colleges are demanding Scholastic Aptitude Test scores and scores also in three achievement tests. Basically there is no rule which says all tests must be taken on the same day; however, all test scores must be made available to the colleges before acceptance can be granted, therefore, students decide that it is practical to take all the tests at the one time. Admittedly, they are tired at the end of the testing, but scores do not indicate that such procedure penalizes

the student. Among our top seniors who took the full battery of College Entrance Examination Board tests last May, one has already received acceptance under the early decision plan at Bryn Mawr, one at Worcester Polytechnic Institute, one at Massachusetts General Hospital and another has a virtual acceptance from Massachusetts Institute of Technology.

Graduates of the past June have enrolled in the following four-year colleges: Worcester Polytechnic Institute, three; College of the Holy Cross, three; Clark University, one; Nichols College, one; Boston University, one; University of Massachusetts, seven; State College at Worcester, six; at Westfield, two; at Bridgewater, one. The following is the enrollment at junior colleges: Becker, five; Quinsigamond Community, two; Worcester Junior, nine. Four enrolled at Worcester Industrial Technical Institute; two are attending Franklin Institute. For nurses' training three are attending the Memorial Hospital School of Nursing; one girl is at Worcester City Hospital; three enrolled for the practical nursing program at the Girls' Trade High School. The enrollment at business schools includes: New England School of Accounting, three; Ward School, three; Salter's Secretarial School, one; Victor Comptometry School, three. One student enrolled at Worcester Academy. Two boys entered novitiates to prepare for religious vocations. A few others sought apprentice training in a trade. One girl was planning to study hairdressing.

Financial aid for students going to school has taken on new importance. Increased tuitions make assistance quite necessary. Therefore, the guidance department must give help to the student in obtaining the financial aid necessary for him to continue his education. Apart from local scholarships many grants were made to our students. One boy at Worcester Polytechnic Institute received a partial scholarship from the fund established at the shop where his father is employed. The three students who registered at the College of the Holy Cross received partial scholarships. The University of Massachusetts made an all expense athletic scholarship grant to one boy; another student received a grant for sixty percent of his expenses. Clark University granted a partial scholarship to the one student who matriculated there. The boy at Worcester Academy received a half-scholarship. Becker Junior College granted partial scholarships to two of our girls. St. Brigid's Women's Club, the Hilltop Stores and the Massachusetts State Grange also granted scholarships.

For the first time some of the Commonwealth Scholarships were granted to our current graduates. One girl received a nursing scholarship; two got full tuition scholarships at State Colleges. Two girls who entered nursing received enough in scholarship grants to take care of all expenses during the three-year training period.

Our students express interest in more and different colleges each year. At present we have on hand current catalogues for 184 four-year colleges, 23 junior colleges, 21 business schools, 30 nursing schools, 18 two-year technical schools and 7 state colleges. All college board materials and Parents' Confidential Statements are in adequate supply.

The testing program has been carried on as in previous years.

(1) The Metropolitan Intermediate Achievement Battery was administered to Grades V and VI. The Pintner General Ability test was given to all pupils in Grade VI.

(2) In Grade VIII, the High School Placement Test was administered. The general ability score, arithmetic and reading scores were used in

counseling students in program choices and in placement of students in ninth grade classes.

(3) In Grade X, the Iowa Test of Educational Development and Test of Educational Ability were given. Nineteen sophomores took the National Educational Development Test in March; this test was administered on Saturday; it was on a voluntary basis at the student's expense and on his time.

(4) In Grade IX the only testing is on a voluntary basis. Thirty-seven students took the National Educational Development Test in March.

(5) In Grade XI, thirty-five students took the National Merit Scholarships Qualifying Test in March. Fifty-two took College Entrance Examination Board Scholastic Aptitude Tests and forty-five took one or more Achievement Tests in either May or July.

From the above testing programs, one girl was named a semi-finalist in the National Merit Scholarship Program and three received letters of commendation for their performance in the National Merit Scholarship Qualifying Test. Twenty-one freshmen and six sophomores (at time of testing) earned certificates of merit in the National Educational Development Test.

(6) In October forty-five juniors and four seniors participated in the Preliminary Scholastic Aptitude Test. Senior year scores in this test are a requirement for National Honor Society members to qualify for the society's scholarships. Otherwise, this is another test administered on Saturday on a voluntary basis. It depends on the student's own interest and willingness to participate.

Some additions have been made to our testing programs. Guidance staff members felt that there was a need for testing in the seventh grade so that there would be a check on the achievement of pupils at this level. Therefore, the Iowa Tests of Basic Skills were administered. The results were particularly helpful to the counselor in meeting with students after they had some experience with academic work in the junior high school.

The General Aptitude Test Battery was given in October to fifty-two seniors. The test was administered by personnel of the State Employment Office in Worcester. This testing service was provided for the non-college bound seniors; it is required quite generally by industry and admission to trade school programs and to Worcester Industrial Technical Institute. The scoring is done by the State Employment Service and results were reported to the school and to the pupils who participated.

Other features of the guidance program are being continued:

(1) The Kuder Preference Record is available for juniors and seniors; limited use is made of it.

(2) Qualified juniors and seniors may participate in the Pre-College Enrichment Project at Assumption College. Classes meet for ten Saturdays from 9:00 to 11:00 a.m. The program is intended for those students who have over-all grades of college certification quality; the student, or his parents, must pay the cost of tuition and books. A senior girl is taking the course in Conversational French this year.

(3) The Armed Service Program in March provides opportunity for junior and senior boys to learn first hand about their obligations and of the opportunities in the several branches of service.

(4) Group guidance is done for a limited time for specific purposes. Seventh grade groups concern themselves with how to study. Filmstrips are used to introduce eighth grade students to occupations. Eighth grade pupils meet in groups also to discuss high school programs. At the twelfth grade level five sessions were held with the college bound students relative to college entrance tests, applications, choice of college, entrance requirements and financial aid. One meeting was held with students planning to enter the field of nursing.

(5) Career research for grades eight and ten will be continued. Career information for the project is made available by the guidance department through the loan of career kits to the English Department. Through the kindness of Mr. Shaw and Mr. O'Mara our subscriptions to career monographs were renewed through the School Activity Fund so that each month we are receiving additional information about careers. New posters are received also. The posters are used in the department or distributed to the subject area for which the specific poster is appropriate.

The counselors have worked quite closely with the local Welfare Department, with the Family Relations Department of Catholic Charities, with the Division of Child Guardianship and the Massachusetts Rehabilitation Commission in an effort to get assistance for young people who are disadvantaged academically, economically and socially. Through work with social service agencies and scholarship committees, one student received full expenses for college. The Rehabilitation Commission approved training for one girl. Such cases demand a great deal of counseling time, many contacts and a great deal of follow-up. However, it appears that more work rather than less will be necessary with youth who have problems. In some instances children meet rejection at home; the school is their only source of understanding and help.

One service that was particularly helpful was that of the consulting psychologist. He appreciated our needs; he worked, when the occasion demanded, with student or parent as well as with teacher and administration. He was very helpful in his suggestions for students at the junior and senior high school level as well as with pupils in the lower grades. He explained, however, that, if problems are detected and treated when the child is younger, the establishing of needed controls in the child is easier than it is in the teen-ager. His service was generous and realistic.

The counselors belong to the Worcester County branch of the American Personnel and Guidance Association. An effort is made to have representation at all meetings of the guidance association. Last spring Mr. Picard attended an all-day workshop in Northampton for junior high school counselors.

The department holds monthly meetings for the discussion of problems and program planning. We have planned that our meetings with parents will be on the following Wednesday evenings from 7:00 to 9:00 p.m.: January 19 and 26; February 2 and 9. February 16th has been reserved as a make-up meeting in the event that weather prevents our meeting on any of the other four scheduled dates. These meetings are held each year in order that parents may have the opportunity to come to the school to discuss with a member of the guidance staff or with the principal their child's program of studies, academic achievement and plans for higher education. The guidance department plans a meeting each week over a four-week period in

order that parents may be able to visit; under such a plan, the time and resources of the guidance personnel are made available to all parents. This is a service unique to our school; in few schools, if any, in our area does the guidance department devote as much non-school time to meetings with parents.

The counselors plan to see every pupil at least once during the year. Many students are seen several times. Any problem brought to the attention of the guidance department by a teacher, parent or pupil will be given immediate attention. Pupils know that they may ask for an appointment at any time. Parents should feel free to telephone to the guidance counselors whenever they have a question concerning their child's school work. If the desired help can not be given over the telephone, the counselors will gladly make an appointment so that the parents may come in to discuss the problem. Moreover, we do schedule time each year, as noted in the previous paragraph, for parents to visit.

### *Educational Progress*

The school year 1965 found us further emphasizing our modern math program by extending it to grades five and six. We also extended our phonics program to the various third grades in the town of Millbury. The departmentalization of grades five and six have now proven its value after the second year of trial. Our instrumental music program continues to enjoy the progress it has shown each year at both the elementary and secondary levels. Once again a successful summer program was conducted by Mr. Rocco Bruno, director of instrumental music, who also produced and directed another enjoyable Christmas concert. The completion of courses of study in reading for grades one through four was accomplished under the supervision of Mr. Leo Beaumont, supervisor of our primary education.

During the past school year we have either added, installed or implemented the following: An additional teacher of reading to the sixth grade faculty at the Center School; The addition of a second grade teacher to meet the expansion in the number of pupils in this grade; A part-time sewing teacher was hired to teach sewing to the girls of the opportunity class; new equipment was added to the kitchen at the Millbury Memorial High School, which enabled us to not only produce our meals more efficiently and economically for the high and junior high schools, but contributed in no small measure to the success of the hot lunch program at the Center and Union schools, for which the state department has proclaimed its satisfaction and approval; Adult education enjoyed a second successful year and climaxed its second year by putting on a very successful end-of-the-year exhibit of its work. This exhibition took place in the Millbury Memorial High School gymnasium and met with so much approval that it will now become a regular part of the adult education program.

Due to the excellent cooperation of Bishop Bernard Flanagan, the Reverend Pierre A. Dumas, pastor of the Assumption Church, and Sister Madeleine, principal of the Assumption School we were permitted to hire two rooms at the Assumption School for public use. We now refer to this two-room unit as the Assumption Public School. The renting of these two rooms allowed us to forestall the need, for the present, of double sessions.

### *School Plant*

The following physical changes above and beyond regular maintenance were completed: The painting of all exterior woodwork, the

vice-glazing of all exterior stucco walls, and the replacing of the decorative tie at the East Millbury School; The painting of exterior woodwork and all interior walls and woodwork at the Providence Street School; The building of a permanent partition between the two first grades and the installation of chalkboards and cork tack boards at the Dorothy Manor School, which not only modernized the two rooms but also permitted the use of natural light in the recommended fashion; The installation of the new boiler at the Center School, thus eliminating the possibility of a shut-down and also doing away with the hazard which the old boilers created; The much needed painting of the auditorium at the Memorial High School; the causing of coolers and refrigerators to be installed in all elementary schools in order to keep milk at its proper temperature.

Looking to the future there are several changes or additions contemplated for either our educational system or our physical plant. Additional time will be added to the part-time nurses' schedule in order to meet the demands of our ever-growing school population. A much needed speech therapist will be added to our faculty on a part-time basis. A full-time remedial reading teacher for our first four grades will be added to our faculty. Modern math will be projected into the junior high school curriculum in the fall of 1966. In the fall of 1966 there is every indication that the new Blackstone Valley Regional Vocational High School will be opened. The interior painting of the Millbury Memorial High School will begin in the summer of 1966. The boiler at the Burbank School will be replaced this coming summer and the grounds will be blacktopped. A Short-Forms Writing course will be implemented for the juniors and seniors of Millbury Memorial High School who are contemplating furthering their education. This course is designed to help the student take notes two to three times as rapidly as he can normally take them in long hand, thus enabling him to more capably compete with the lecture method of teaching usually found on the college level. To our athletics program in the high school golf and cross country running will be added. Last but not least the realistic prospect for the much needed new elementary school in the near future.

### *Conclusion*

To the members of the School Committee and to my secretary, my sincere appreciation for their cooperation during the past year. I would also like to express my deep appreciation to the Selectmen, heads of municipal departments, the Dorothy Manor Mothers' Club, and the East Millbury Community Association for the cooperation we received toward providing an education in keeping with the best interests of the pupils in the town of Millbury. To the administrative staff, directors, principals, supervisors, teachers and all other employees of the Millbury Public Schools, my sincere thanks for a job well done in meeting the educational needs of the pupils of the town of Millbury.

Respectfully submitted,

STEPHEN BEATON

Superintendent of Schools

### *Report of Mr. Raymond E. Shaw*

#### *High and Junior High School Principal*

With the opening of school in September the enrollment of the High School was 430 pupils. This figure is made up of the following: 157 pupils in grade 10, 131 in grade 11, and 142 in grade 12.

During the past year Mr. Donald O'Leary, who taught science in the 9th grade in the Junior High School, has been transferred to the Senior High School where he will teach biology, replacing Miss Michele Abladian who resigned to take a position in New York City. Mr. Raymond Gemme, who formerly taught French and Latin in the 9th grade,

was transferred to the Senior High School as guidance counselor and civics teacher so that Mr. Georges Desrosiers, who returned from his service in the United States Air Force, might resume his regular position as a French and Latin teacher.

The Junior High School opened in September with an enrollment of 526. The 7th grade has an enrollment of 158 pupils, the 8th and 9th grades 184 each. Several faculty changes were made in the Junior High School during the summer. Miss Roberta Hack, a graduate of the University of Massachusetts, was appointed to teach Spanish and English, replacing Mrs. Marilyn Christensen. Mr. John J. Sughrue, a graduate of Castleton State College of Vermont, was appointed to teach 8th grade English, replacing Mrs. Sandra MacWade. Mr. Thomas Allen was appointed to teach science in the 9th grade, taking the place of Mr. Donald O'Leary who has been transferred to the High School. We welcome the new teachers to our Junior and Senior High School faculties and extend our best wishes for a successful and happy future.

The prizes and scholarships annually awarded to members of the graduating class were as follows: Miss Janice Savoie received the D. A. R. Good Citizens Award for outstanding characteristics of good citizenship; Michael McArdle received the Student Government Representative award as the school delegate to the Massachusetts General Court on Student Government Day, Friday, April 2, 1965. Miss Sheila May was selected as a United States Senate Youth Program candidate. Miss Karen Krula received the first prize of one hundred dollars in the New England High Carbon Wire Essay contest; Therinda Lindstrom received the second prize of fifty dollars and Catherine Mason, the third prize of twenty-five dollars. Miss Carol Piasta was presented the one hundred dollar Millbury Woman's Club Scholarship by Mrs. W. Bert Harris, association president; Miss Karen Sheehan and Miss Sheila May were presented the Millbury Grange Scholarships of one hundred dollars each by Mrs. Irma Williams, association president; Sheila May was presented the Millbury Credit Union Scholarship of one hundred dollars by Rev. Mont Thornburg, president; Carol Piasta was presented the American Legion Auxiliary Scholarship of one hundred dollars by Mrs. Charles Williams, president; Brian Lucas was presented the American Legion Devoe-Taylor Post No. 9 Scholarship of fifty dollars by Mr. Charles Williams, commander; Joseph Jurgelonis was presented the Dorothy Manor Mothers' Club Scholarship of one hundred dollars by Mrs. William Haynes, Jr., association president; Catherine Mason was presented the Franco-American Club of Millbury, Inc. Scholarship of one hundred dollars by Mr. Raymond E. Shaw, principal; Lorraine LaBarre was presented the Franco-American Auxiliary Scholarship for outstanding scholastic achievement in French, of one hundred dollars by Mrs. Henry Gonyea, association president; Carol Piasta was presented the Dr. Marcus M. Henneberry Memorial Scholarship of one hundred dollars by Mr. Raymond E. Shaw; Mary Ann Roach, Larry E. Salem, Jane E. Friberg, Terry L. Burke and Linda M. Paille were presented the Millbury Memorial High School Faculty Scholarships of one hundred dollars each by Mr. Shaw; Sheila May and Brian Lucas were presented the Millbury Memorial High School Student Body Scholarships of one hundred dollars each by Mr. Shaw. Joseph Jurgelonis was presented the Millbury Memorial High School Class of 1964 Scholarship of two hundred dollars by Mr. Shaw. David Lavich was presented the Millbury Memorial High School Dramatic Club Scholarship of one hundred dollars by Mr. Shaw.

A First Place Certificate was awarded to the *Reflector* for the eleventh consecutive year in the fortieth annual contest sponsored by the Columbia Press Association. For the ninth consecutive year the *Reflector*, our school magazine, received the Highest Achievement in Scholastic Editing and Publishing Award from the Boston University Scholastic Press Association.

The Underwood Award for the "Outstanding Business Education Student" was presented to Stephanie Lettic. The Underwood "Best Typist Award" was presented to Christine Samko.

In recognition for outstanding proficiency in high school science and mathematics, Rensselaer Polytechnic Institute awarded the Rensselaer medal to Ronald Roberts.

In the Service Clubs Essay Contest, Linda Stowe received the award for the best essay submitted from our school.

Michael McArdle, valedictorian of the graduating class, was the recipient of the Annual Award of the Readers Digest Association for students who by their successful school work give promise of attaining leadership in the community.

The Annual Science Fair was held on Wednesday evening, March 17, 1965, at the Millbury Memorial High School in the school gymnasium and chemistry laboratory. There were seventy-six projects in the Fair with one hundred and fifty students participating. First place winners were Robert Lucas and Wallace Stewart for their project "Audio-Visual Communications." David Kendrick was awarded second place for his project "Wind Tunnel" and third place winner was Marcia Wetherbee for "The Structure and Function of D N A." These students participated in the Worcester County Fair held at Worcester Polytechnic Institute on April 8-10, 1965. Honorable mention award winners were Janet Howard for "Genetic Inheritance in Mice," William Philbrook for "Electronics as a Hobby," Thomas Howard for "Cosmic Rays and Atomic Energy," Anthony Mangano and James McArdle for "Crystals and Light," Harry Collins for "Exploring and Utilizing Mendels' Laws of Genetics," Dennis Kotasek for "Freezing Motion with Sound," Karen Gaucher and Mary Ann Tetidrick for "The Learning Process in Mice with the Use of Light," Sandra Boudreau for "The Effect of Gibberellic Acid on Plant Growth," Kathleen Rogers and Eileen Sheehan for "The Evolution of the Heart," Raymond Boucher for "The Kidney Tubule," Sandra Perron for measuring the "Respiration Rate of Mice," and Maurice O'Brien and David Roach for "Simulating Gravitational Fields." Judges for the Fair were Mr. George C. Blanchard, Millbury Engineering Co.; Mr. Charles W. Monigle, Parker and Harper Mfg. Co.; Dr. William F. O'Hara, Holy Cross College; Mrs. Donald F. O'Leary, St. Vincent Hospital; Mr. James J. Taparowski, New England High Carbon Wire Company; Dr. Carles Vassallo, St. Vincent Hospital and Mrs. Helen Vassallo. The Fair was supervised by Miss Joan Shea, Science Fair Director, and was assisted by Mr. Donald F. O'Leary and Miss Michele Abladian of the Science Department. Miss Frances Pronski was in charge of programs. We congratulate all for a task well done.

On April 9, 1965 the Senior High School presented the play "Our Hearts Were Young and Gay" under the direction of Miss Diane Berthiaume and assisted by Miss Joan Peterson and Mr. Frank Ford.

On December 17, 1965 the Millbury Memorial High School and Junior High School Band and Chorus presented their third annual concert under the direction of Mr. Rocco Bruno, music supervisor.

The Millbury Memorial High School held a Christmas Assembly on December 23, 1965. At this time Horace Mann Awards were presented by the Superintendent of Schools, Mr. Stephen Beaton, to the following students: Louise Gravel, Mary Hamilton, Linda Lachance and David Roach. Mr. Beaton also cited Elaine DeSourdis, Lois Fournier, Shirley Looms, Rosalie Robitaille, Susan Thomas and Christine Woll for their second achievement of becoming Horace Mann Students.

Lois Fournier gained distinction for herself and the school when she qualified as a semi-finalist in the National Merit Scholarship Qualifying Test. Sally E. Quist, Ralph E. Cunningham and Christine J. Woll were also cited for outstanding performance in the same test and each received a formal "Letter of Commendation" from the National Merit Scholarship Corporation, presented by Mr. Shaw, principal, at the Christmas assembly. To all of them, we extend sincere congratulations.

Mr. Lacouture also awarded certificates for "Meritorious Salesmanship" in the Annual Magazine Drive and an inspirational Christmas Concert was presented by the Band and Glee Club under the direction of Mr. Rocco Bruno, music supervisor.

On March 8, 1965 a program entitled "This Atomic World" was presented in the School auditorium by the Oak Ridge Institute of Nuclear Studies, Oak Ridge, Tennessee. This "Atomic World" is concerned with the basic principles of atomic energy and its beneficial application. Mr. Thomas P. O'Connor conducted the program.

The fifth annual National Honor Society induction was held in the school auditorium on May 14, 1965. Among the new members honored at the assembly were: Seniors; Harry F. Collins, Meredith P. Dana, Lorraine M. LaBarre, Stephanie L. Lettic, Brian R. Lucas, Joseph H. Martinelli, Catherine E. Mason, Michael M. McArdle, Richard B. McSheehy and Larry E. Salem; the Juniors were: Elaine M. DeSourdis, Lois A. Fournier, Jane R. Gagliardi, Susan J. Gibbons, Donna W. Hamblett, Charlotte H. Hamilton, Russell F. Lindblad, Shirley R. Looms, Brian T. Moorey, Gail J. Parath, M. Rosalie Robitaille, Susan J. Sadowski and Ernest S. White.

The Senior Athletic Award was presented to Michael McArdle.

Millbury Memorial High School held Open House for Armed Forces representatives in the school gym on Friday, March 5, 1965, at 1:15 p.m. This program, arranged by Miss Mary B. Grogan, guidance director, was attended by all junior and senior boys. Sgt. Daniel Lucca of the Marine Corps presented general information concerning Service obligations and opportunities. The boys were given an opportunity to get information concerning the particular Service in which they were interested. The following personnel participated in the program:

Sgt. Charles Langer, Army  
Machinist Mate Chief Harold Tauson, Navy  
Engineman 1st Class Norman Mouser, Coast Guard  
Sgt. Daniel Lucca, Marine Corps  
Capt. Robert S. Morgan, Mass. Nat'l. Guard  
Chief Harold Toomey, Naval Reserve, Construction Battalion  
Petty Officer 1st Class Raymond Groccia, Nava. Reserve  
Sgt. John Horne, Air Force

This year our Instrumental Music Department was very pleased to be able to send two of our students, Thomas Howard and Martha

Brown, to perform in the All State Band. Again, these two accomplished musicians together with Howard Davidson, also of outstanding ability, performed in the Central District Festival held at Shrewsbury on November 5, 1965. To them we extend our appreciation for a task well done.

The various clubs and organizations in the Millbury Memorial High School enjoyed another year of success under the leadership and guidance of the following teachers: Girls' Athletics, Miss Ann Harrington; Boys' Athletics, Mr. Hudson Matson, Mr. Charles Capparelli, Mr. Paul Kollios, Mr. James H. O'Leary and Mr. Eugene Picard; Cheerleaders, Miss Roberta Hack and Mrs. Marilyn Christensen; Student Council, Mr. Edward Faron; Band and Chorus, Mr. Rocco Bruno; French Club, Miss Helen Brown; Science Club, Miss Joan Shea, Miss Michele Abladian and Mr. Donald O'Leary; the Junior Red Cross and National Honor Society, Mr. John Chadwick; the *Reflector*, Mr. Robert Miles, Mrs. Margaret Matthews, Miss Frances Pronski and Mrs. Barbara Johnson; the *Aftermath*, Miss Helen Brown and Mrs. Agnes McCarron; the Dramatic Club, Miss Diane Berthiaume and Miss Joan Peterson; Public Speaking and Debating, Mr. John Hayes; Magazine Drive, Mr. Paul Lacouture.

Once again our high percentage of attendance in the Millbury Memorial High School, 95.74, and the Junior High School of 96.13 is an indication of the interest and cooperation of both pupils and parents of the town.

# Report of the Finance Committee

To the Citizens of Millbury:

The Finance Committee respectfully submits its annual report and recommendations to the citizens of Millbury.

Once again it is the unhappy duty of your Finance Committee to report that we are again facing an increase in taxes.

The school budget shows an increase of \$50,981.36 which is mainly in the salary account as the full impact of the minimum salary set by the State is being felt this year.

Our obligation to the Blackstone Regional Vocational School this year adds another \$22,000.00 to our budget.

The E & D, or so-called "Free Cash," account is \$28,000.00 lower this year adding to our burden.

We have not as yet received the "Cherry Sheet" from the State. If we obtain this information before the Town Meeting, we will review our forecast and report our findings.

If the recommendations of your Finance Committee are followed, the tax rate for 1966 will be approximately \$119 per \$1,000 assessed valuation—an increase of \$5 per \$1,000 based on the information available at this writing.

Respectfully submitted,
